

Aurora Sevenside School

“ We aim to support students to achieve personally and academically, whilst gaining practical skills for their future. ”

A specialist independent day school, offering academic and therapeutic provision for students aged 11-16 with social, emotional and mental health needs.

At The **Aurora** Group

We believe in giving people the opportunities they need to create and lead fulfilling, independent lives.

Established in 2015, we are now the UK's fifth largest provider of education, care and support services for children and young people with special educational needs and disabilities. Each of our schools, colleges and residential homes retains its own unique identity while embracing and embodying our group's core values:

- We are caring. We understand that your experience in mainstream care and education may have been a difficult one. We take seriously our responsibility for the children and young people in our care, and are committed to making your time with us as positive and fulfilling as possible.
- We are ambitious. We have high expectations of all our children and young people, regardless of what barriers they may have faced in the past. We encourage them to expect more for themselves, while challenging employers and communities to understand and value their diverse needs and attributes.
- We are collaborative. Everything we do, we do in partnership with you. We actively seek and listen to feedback from students, parents and staff, to find out what's working well, what we can do better, and how we can further develop all our services to benefit the people we work with.
- We are trusted. Our business is funded by ethical investors. They understand that sustainable growth is possible only when we hold ourselves to the highest standards, by delivering consistently top-quality services to every single person we work with.
- We are innovative. We begin planning for each young person's future the minute they walk through our doors. We tailor our approach to their unique needs, and are constantly looking for new opportunities to help them explore, enhance and employ their own skills, talents and abilities.

Welcome

At Aurora Severnside, we combine the best elements of a mainstream school with the additional support and resources of a special school, to create an environment where every young person can achieve their own goals and thrive in a future of their own choosing.

We aim to prepare students for life beyond school, so further education and employability is truly at the heart of our culture and ethos. We are on the thriving Gloucestershire Science and Technology Park with potential progression routes to work experience and employment opportunities right on our doorstep.

Our highly skilled and specialist teaching, support and therapeutic teams work with each young person to ensure their needs are fully met and that every achievement takes them closer to their potential in all aspects of their lives; educationally, socially and emotionally.

We look forward to welcoming you to Aurora Severnside, where we will work together to create the future that you want for your family.

Rachel Lynch
Headteacher, Aurora Severnside

About Our School

Aurora Severnside is a specialist independent day school based in Gloucestershire Science and Technology Park, near Berkeley, Gloucestershire. We combine the best elements of a mainstream education with the unique specialist and therapeutic input for students aged 11-16 with social, emotional and mental health needs, including those who face communication and behavioural challenges associated with Autism Spectrum Conditions.

Our vision at Aurora Severnside is to create an inclusive, welcoming learning environment in which all our students can develop and thrive. We put our students' needs first, because we know that once we understand who they are and their individual learning styles, we can support them to achieve their full potential.

Creating futures

Our students enjoy a broad based curriculum of core studies in Maths, English and Science alongside practical and creative subjects, with a strong focus on developing their employability skills, so students can unlock future career paths. Their academic learning is complemented with the development of 'soft' skills, such as teamwork, communication and resilience, helping them to become independent adults who are able to look after their emotional and physical wellbeing.

Throughout their time with us, students can achieve a range of qualifications, GCSEs or equivalent vocational certificates, and benefit from a range of high-quality opportunities to work with local employers and participate in industry related activities.

We help each student to identify and develop their unique skills, talents and abilities, so that they can choose a post-16 route that works for them – whether that's further education, vocational training or employment.

Subjects taught include:

- Maths, English and Science
- History and Geography
- Computing and ICT
- Art and Design
- Cookery
- Horticulture
- Outdoor Education
- PSHCE
- Employability and Independent Living Skills
- Social Skills

Providing opportunities

The school has been designed specifically to support young people who struggle in larger mainstream environments. As a school we are extremely fortunate to have the specialist teaching staff, resources and facilities to offer a truly exceptional experience for our students.

Our on-site facilities include:

- Art Workshop
- Fully equipped Science Laboratory
- ICT and Digital Media Suite
- Independent Living Kitchen
- Break out spaces for 1:1 or small group therapeutic work
- Multi-use Games Area
- Polytunnel
- Forest School

Integrating therapy

We offer a range of clinical and therapeutic interventions at Aurora Severnside, designed to help our students overcome barriers to participation in education.

These are delivered by highly skilled staff in a class setting, using an integrated therapeutic model. This enables us to offer flexible and responsive support whenever and wherever it is needed most, and our staff team follows a single, student-centred plan.

We monitor and adapt our approach for each student through a personalised Annual Review process, which puts the student at the centre and involves a range of academic and therapeutic staff.

Your experience with us

We believe that one size does not fit all – our approach to learning and teaching is to focus on the individual needs of each student.

Each student has a tailored curriculum based upon their initial assessment, previous academic outcomes and long-term learning targets – the curriculum fits around the young person, not the other way around!

Students are taught in classes of less than 8, with a standard staff ratio of 1:3, which can be higher if required, enabling close staff supervision throughout the school day. When appropriate, students can also be taught in 1:1 situations, as well as within our community.

We provide planned activity choices during social times, including sport clubs, indoor board games and a Quiet Zone, to sustain structure throughout the day

Building trust

We take a positive approach to behaviour support at Aurora Severnside. We believe that managing behaviour is first and foremost about relationships and trust.

While violence or aggression are not acceptable, they are often understandable – negative behaviour can often be a display of emotional distress and we will aim to manage it with compassion, whilst ensuring everyone is kept safe.

Supporting families

Everything we do, we do in partnership with parents/carers. We actively seek and listen to feedback from students, families and staff, to find out what's working well, and what we can do better.

Our specialist team works in partnership with families to develop strategies to support behaviour and anxiety at home.

What you need to know

Meals

School meals are provided and we can offer a choice of where students eat depending on their needs, this could be with others or 1:1. Special dietary requirements are catered for (due to allergies, intolerance, religious and other beliefs).

Term dates

Our term dates are sent to parents and carers annually. They are also available to view and download on our website.

4.3 out of 5

Our commitment to you

Quality statement

At Aurora Severnside we strive to provide the highest quality service to young people, parents/ carers and local authorities. We believe that all these groups have the right to comment on the service we provide and to understand the complaints procedure.

If you do have a concern or complaint, we do want to hear about it as soon as possible. Please ask the School office for a copy of our complaints procedure if you would like to know more. We like to know when we are getting things right too, so please feel free to also send us any compliments – our staff are always happy to hear them!

Safeguarding statement

Aurora Severnside is wholly committed to safeguarding and promoting the wellbeing of our students, and we expect all staff and visitors to share this commitment. Safer recruitment practices are followed and all staff have an Enhanced DBS check.
