“ Aurora Hanley has changed our daughter’s life, and all our lives as a family. I never thought I’d be where we are now. ”

Independent specialist education for young people aged 6 to 19 who have complex communication and social needs typically associated with Autism Spectrum Conditions (A.S.C.).

Empowering Uniqueness, Realising Potential, Building Resilience.

At The **Aurora** Group

We believe in giving people the opportunities they need to create and lead fulfilling, independent lives.

Established in 2015, we are now the UK's sixth largest provider of education, care and support services for children and young people with special educational needs and disabilities. Each of our schools, colleges and residential homes retains its own unique identity while embracing and embodying our group's core values:

- We are caring. We understand that your experience in mainstream care and education may have been a difficult one. We take seriously our responsibility for the children and young people in our care, and are committed to making your time with us as positive and fulfilling as possible.
- We are ambitious. We have high expectations of all our children and young people, regardless of what barriers they may have faced in the past. We encourage them to expect more for themselves, while challenging employers and communities to understand and value their diverse needs and attributes.
- We are collaborative. Everything we do, we do in partnership with you. We actively seek and listen to feedback from students, parents and staff, to find out what's working well, what we can do better, and how we can further develop all our services to benefit the people we work with.
- We are trusted. Our business is funded by ethical investors. They understand that sustainable growth is possible only when we hold ourselves to the highest standards, by delivering consistently top-quality services to every single person we work with.
- We are innovative. We begin planning for each young person's future the minute they walk through our doors. We tailor our approach to their unique needs, and are constantly looking for new opportunities to help them explore, enhance and employ their own skills, talents and abilities.

Welcome

Here at Aurora Hanley, we believe in empowering uniqueness, realising potential and building resilience. That is why we endeavour to provide an inclusive learning environment for all our students to enjoy, thrive and grow throughout their academic career.

By the time they leave us, every student is on their way to achieving their own goals – whether that is by developing vital life skills, or gaining specific academic and vocational qualifications.

We believe that by providing the right support and building positive relationships, we can support everyone to access opportunities that have previously been denied.

I look forward to welcoming you into the Aurora Hanley community soon.

Julie Martin

Headteacher, Aurora Hanley

Our Aurora Hanley School, rated 'Outstanding' by Ofsted, is a sister to our new Summerfields provision in Wilmslow. We are linked together closely through experience, ethos, staffing and vision.

We understand how much our young people need to feel accepted, understood, listened to and supported to achieve life-long learning. To be prepared, not just academically, but socially and emotionally for the challenges that life brings.

Tracy Whitehurst

Principal, Aurora Summerfields and Hanley Schools

About Our School

Aurora Hanley is an independent specialist school for young people aged 6 to 19, who may face difficulties as a result of complex communication needs typically associated with Autism spectrum conditions.

Many of our students have sensory issues and high levels of anxiety that affect their ability to cope in mainstream settings, creating difficulties that can impact negatively on their emotional wellbeing, behaviour and ability to participate fully in education.

At Aurora Hanley, we help every young person to re-engage with learning and enjoy school life. With specialist teaching and integrated therapeutic support, small classes and a nurturing approach, we give students a framework for breaking down barriers to learning.

Our facilities

Aurora Hanley is located near the heart of Stoke City, in the residential area of Bucknall.

The school site consists of a new two story building and four separate buildings supporting primary, nurture and administration. All our rooms are bright, modern and sensitively designed for children and young people who struggle in larger mainstream environments.

Facilities include:

- Specialist classrooms for ICT, Science, woodwork, Art and Cooking.
- Quiet reading areas and regulation stations.
- Clinical and therapeutic integrated working.
- Pupil horticulture areas.
- Outdoor Gym and Playground spaces.

Education at Aurora Hanley extends into the local community and city, giving young people opportunities to learn practical skills in everyday environments whenever they are ready.

Our curriculum

Aurora Hanley offers a broad, balanced curriculum with a flexible timetable designed around each student, recognising their individual abilities, interests and needs.

Learning programmes for each Key Stage are based on the National Curriculum, with opportunities to develop functional and independent 'skills for life' offered alongside academic subjects.

All activities are based on personalised goals to ensure they are engaging, meaningful and achievable for everyone. Students are encouraged to be actively involved in school life, by making choices, contributing to their own programmes and sharing ideas regularly.

Your experience with us

Every student has a tutor and dedicated teaching assistant who offer consistent support and encouragement throughout the school day and support communication with families.

Individual student behaviour plans (S.S.P) help our students develop positive self-regulation and coping strategies, facilitating their learning and creating a positive school experience for everyone.

Our focus is on supporting each student to understand their diagnosis, build their resilience and reduce their anxiety and is supported via our Clinical Psychology teams, who work together with students and their families to explore and develop individual strengths and aspirations.

Our other therapeutic provision includes speech and language therapy and occupational therapy, with our clinical staff working in conjunction with teaching and support staff to provide holistic support for every student.

Kian's story

Kian, aged 12, has turned his school life around after a move from mainstream schooling to Aurora Hanley. "I can't tell you how much it's benefitted us as a family," said Amy. "The house feels so much less stressful as we know he's happy. He'll walk off in morning very happy. He has a favourite teacher he loves working with. It's such a huge difference and I wish other schools were this good." The future is now looking much brighter for Kian.

Our commitment to you

Quality statement

At Aurora Hanley we strive to provide the highest quality service to young people, parents/carers and local authorities. We believe that all these groups have the right to comment on the service we provide and to understand the complaints procedure.

If you do have a concern or complaint, we do want to hear about it as soon as possible. Please ask the School office for a copy of our complaints procedure if you would like to know more. We like to know when we are getting things right too, so please feel free to also send us any compliments – our staff are always happy to hear them!

Safeguarding statement

At Aurora Hanley we are wholly committed to safeguarding and promoting the wellbeing of our students, and we expect all staff and visitors to share this commitment. Safer recruitment practices are followed and all staff have an Enhanced DBS check.

What you need to know

Uniform

At Aurora Hanley we do not have a school uniform. We know that many of our students struggle with the feel and texture of clothes, so we prefer them to wear whatever makes them feel comfortable in school.

School meals

We produce a weekly visual menu of our food, which is emailed to all parents and carers.

All meals are freshly prepared and cooked on site, with all produce sourced locally. Special dietary requirements can be catered for and we will always do our best to support and encourage our students to taste new textures and flavours. If any student does not feel able to eat the menu on site they are more than welcome to bring a packed lunch.

Term dates

We align our term dates yearly to those of our local authority. We also allocate five inset training days to staff. All these dates can be accessed via our school website.

Transport

All transport is via Local Authority-funded taxis and is not organised by the school.
